RESPIROLOGISTS NEEDED AT PEAK MEDICAL SPECIALTY CENTRES

Peak Medical Specialty Centres is seeking both Adult and Pediatric Respiriologists to join their growing team of specialty physicians and healthcare professionals in Alberta.

We have an established patient waitlist ready for booking at many of our locations and also offer the opportunity to provide interpretations on PFTs and sleep studies. We offer a flexible schedule, and our friendly atmosphere and supportive staff will allow you to flourish while receiving competitive remuneration for your services. Our management team handles everything, including your scheduling, billing, referral collection and coordination, admin and clinical staffing, information technology/computers, and electronic medical records.

Established in 2010, the Peak Medical Specialty Group currently has 13 community clinic locations across Alberta, including Calgary, Edmonton, Medicine Hat, Red Deer, Sherwood Park, Strathmore, High River, and Okotoks, with more locations opening soon.

Our team of Certified Respiratory Educators pride themselves on patient care and education, as these lead to improved patient compliance which results in better patient outcomes. We are committed to keeping Albertans healthy!

To learn more about Peak Medical Group and the advantages of working in Alberta, please visit www.peakpulmonary.com and www.peaksleepclinic.com, or please contact Shawn Nicol, Peak's Director of Business Development, at shawn.nicol@peakpulmonary.com or 403-796-6365.
