**Canadian Sleep Consultants is currently seeking an Adult and Pediatric Respirologist to join our expanding sleep medical team.**

Canadian Sleep Consultants is a comprehensive physician-directed, multi-disciplinary sleep center offering pediatric and adult sleep medicine and surgical services. Our strength lies in our expertise and training, while empowering our patients with choice in treatment options.

Some of the benefits that we provide are as follows:

1. Well designed facilities
2. Established patient base
3. Flexible schedules
4. Competent and friendly support team that can handle everything from scheduling, billing, referral collection and coordination, staffing, IT/Computers and EMR support
5. The opportunity to provide interpretations on PFTs and sleep studies. (Separate compensation model)
6. High provincial compensation
7. Competitive fee splits for your services

**Location:** Currently with two (2) clinic locations in Calgary, Alberta, Canada

**Shift / Position:** Full time or Part time

**Qualifications:**

CPSA Registered, can practice in Calgary, Alberta  
Background and experience in Respirology.

**About Canadian Sleep Consultants:**

Canadian Sleep Consultants is a comprehensive sleep medical clinic with an experienced multi-disciplinary sleep team led by Dr. W. Jerome Alonso, fellowship trained at the prestigious Stanford Sleep Disorders Centre. The sleep team includes a board certified and sub-specialty trained sleep physicians, a sub-specialty trained sleep surgeon, a pediatrician, pediatric neurologist, experienced sleep technologists and support staff that are intensively focused on sleep medicine care.

Our clinic offers Physician and/or Surgeon initial and follow-up assessment (AHW funded), Level 1 and 3 sleep testing, Multiple sleep latency and Mean wakefulness testing, Actigraphy, CPAP trials, CPAP calibration and auto-titrations.
