

## Respirologist

Victoria, British Columbia

The Vancouver Island Health Authority Department of Medicine has an opportunity for a Respirologist to join a team of 5 members in Victoria.

The successful candidate will hold FRCPC in Respirology and be eligible for full licensure with the College of Physicians and Surgeons of BC. Candidates must possess a strong interest and skill set in general respirology. Preference will be given to candidates with additional training and expertise in Sleep Disorders medicine.

Candidates must have both interest in medical teaching, sleep medicine, and general respirology. This position includes the requirement to provide community practice outpatient care in Victoria. Full participation in the Division of Respirology busy general respiratory on-call schedule of 1 in 6. Is a requirement of this position. Affiliated with the University of British Columbia (UBC) Faculty of Medicine, and the UBC Island Medical Program, responsibilities include both direct clinical care and teaching of medical students and residents.

Victoria, British Columbia's scenic capital, is located on the southern tip of Vancouver Island. Renowned for its breathtaking natural beauty and enviable quality of life, this is an ideal place to pursue your medical career and create the kind of lifestyle only dreamt about. Few areas in the world can match BC's scope of outdoor activities, with Vancouver Island offering everything from skiing and snowboarding, to golf, and world-class fishing. With Victoria's temperate climate, its rich heritage and vibrant cultural scene, it provides the very best of urban and rural living.
