

Respirologist - LOCUM Eastern Health

Eastern Health invites expressions of interest for an adult Respirologist locum working in the Division of Respirology within the Medicine Program for the period of August 1, 2021 to February 6, 2022.

Eastern Health is the largest integrated health organization in Newfoundland and Labrador. It employs over 13,000 employees and provide services to a regional population of more than 300,000. Eastern Health has unique provincial responsibilities for tertiary level institutional services.

The Respirologist will provide care to complex respirology patients in addition to follow up of internal medicine patients. Participation in the inpatient respirology consultation service will be shared among other physicians within the Division. Locum will also be expected to participate in the provision of clinical care in Internal Medicine.

Applicants must hold a Medical Degree, an FRCPC (or equivalent) in Internal Medicine. Royal College subspecialty certification in Respirology or its equivalent is also required.

Remuneration will be in accordance with the Memorandum of Agreement for locum specialist salaried physicians in Newfoundland and Labrador.

Why practice in St. John's, NL? Newfoundland and Labrador is Canada's most easterly and unique province. St. John's, the provincial capital, is the economic and cultural hub of Newfoundland and Labrador. St. John's boasts museums, galleries, historical sites, parks, world renowned culinary and a pristine natural environment. Be delighted with whales off our coast and icebergs along 'Iceberg Alley' that float from Greenland's glaciers to Newfoundland's east coast. Newfoundlanders and Labradorians are friendly and welcoming and our residents are our best Ambassadors. We are renowned for humor, song, art and craftsmanship and NL offers an excellent quality of life. To learn more visit www.newfoundlandlabrador.com/
