ACKNOWLEDGMENTS

The editor and associate editors are grateful to the many persons and groups who contributed to the development and production of this edition of the Canadian Tuberculosis Standards. These include, but are not limited to, the following:

- Colleagues in tuberculosis prevention and control programs throughout Canada, many of whom served as authors or co-authors
- The provincial and territorial TB programs that provide non-nominal confidential case reports for national TB surveillance; and the members of the Canadian TB Laboratory Technical Network and their teams for participation in national TB drug resistance surveillance
- The Canadian Thoracic Society staff Janet Sutherland and Anne Van Dam, and members of the CTS Canadian Respiratory Guidelines Committee (CRGC) who made valuable contributions by reviewing the chapters and appendices: Dr. Najib Ayas, Dr. Martin Kolb, Dr. David Zielinski, Dr. Dhenuka Radhakrishnan, Dr. Clare Ramsey, Dr. Christopher Licskai, Lisa Wickerson, Raymond Acheron, Dr. Gail Dechman, and Dr. Erika Penz. CTS would like to acknowledge with sincere appreciation Dr. Samir Gupta (Chair) and Dr. Sanjay Mehta (Vice-Chair) of the CRGC for their expert review and guidance throughout the development process
- The Association of Medical Microbiology and Infectious Disease (AMMI) Canada, including external reviewers Dr. Fiona Smaill, Dr. Alena Tse-Chang and Dr. Shannon Turvey along with the AMMI Canada Council, Dr. Jared Bullard, Dr. Karen Doucette, Dr. Sarah Forgie, Dr. Todd Hatchette, Dr. Shariq Haider, Dr. Susy Hota, Dr. Philippe Lagacé-Wiens, Dr. Andrew Simor, Dr. Karina Top, Dr. Yves Longtin, Dr. Kelly MacDonald, Dr. Deborah Yamamura and Riccarda Galio. AMMI Canada would like to extend a special thank you to Dr. Christina Greenaway for her contributions as the liaison representative to the development of this edition of the Canadian Tuberculosis Standards
- The Public Health Agency of Canada (PHAC), including Dr Alanna Fitzgerald-Husek and Dr. Chris Archibald
- Indigenous Services Canada, including Andrea Monahan, Cynthia Tardivel, Kim Daly, Pamela Wolfe-Roberge and Dr. Tom Wong
- The National Advisory Committee on Infection Prevention and Control, Public Health Agency of Canada
- Medical editor: Heather Blumenthal
- Research Assistant: Newsha Mahinpey

EXTERNAL REVIEWERS

We are grateful to the following external reviewers for their valuable input:

William J. Burman, MD Denver Health University of Colorado Denver, Colorado, USA	Nadine Caron, MA, MD, BSC Professor Northern Medical Program University of Northern British Columbia Prince George, British Columbia, Canada
Rodney Dawson MB ChB (Stell), FCP (SA), Cert. Pulm (SA) Honorary Professor Centre for Tuberculosis Research Innovation University of Cape Town Lung Institute Mowbray, Cape Town, South Africa	Claudia M. Denking Head of Division of Infectious Disease and Tropical Medicine Heidelberg University Hospital Heidelberg, Germany
Yohhei Hamada MD, MPH	Awal D. Khan, PhD

Institute for Global Health University College London London, United Kingdom	Sr. Health Scientist/Health Equity Coordinator Division of Tuberculosis Elimination National Center for HIV/AIDS, Viral Hepatitis, STD, and TB Prevention U.S. Centers for Disease Control & Prevention Atlanta, Georgia USA
Kathleen McMullin, B. Ed, M.Ed. Aboriginal Nursing Advisor University of Saskatchewan Saskatoon, Saskatchewan, Canada	Payam Nahid, MD, MPH Professor of Medicine Director, UCSF Center for Tuberculosis University of California, San Francisco San Francisco, California, USA
Jeffrey R. Starke, M.D. Professor of Pediatrics Department of Pediatrics Division of Infectious Diseases Baylor College of Medicine Houston, Texas, USA	Timothy R. Sterling, M.D. David E. Rogers Professor of Medicine Division of Infectious Diseases Vanderbilt University School of Medicine Nashville, Tennessee, USA
Andrew Vernon, MD, MHS Associate Director for Science, Epidemiology Task Force CDC COVID-19 Response and Division of Viral Diseases, NCIRD U.S. Centers for Disease Control & Prevention Atlanta, Georgia, USA
