2026 CANADIAN RESPIRATORY CONFERENCE

The Canadian Thoracic Society (CTS) is pleased to invite you to attend the 18th Annual Canadian Respiratory Conference (CRC) at the Calgary Telus Convention Centre in beautiful Calgary, AB, from April 16-18, 2026.

This national interdisciplinary meeting has become an annual must-attend educational and scientific event for members of the Canadian Thoracic Society (CTS) and Canadian Respiratory Health Professionals (CRHP) and others working in respiratory health.

The conference is of special interest to those in our clinical and scientific community, including adult and pediatric respirologists, residents, fellows and trainees, family and emergency physicians, respiratory therapists, pulmonary technologists, physical therapists, nurses, dieticians, pharmacists, educators, scientists and other professionals working in the respiratory field.

We look forward to seeing you in Calgary!

CONFERENCE HIGHLIGHTS

The scientific program will begin on Thursday, April 16, and continue through to Saturday, April 18. Building on the success of past conferences, our program is interdisciplinary and designed to appeal to clinicians, scientists and educators in the respiratory field. It promotes discussion of the most significant developments in clinical practice, research and education and enhances interprofessional interactions.

At the end of the conference, attendees will be better able to:

- Apply updated, evidence-based scientific information to promote lung health in patients with respiratory disease, critical care and sleep disorders;
- Collaborate with other respiratory stakeholders, through communication, information sharing, networking and partnership building; and
- Translate and integrate recent clinical research on the prevention, management and treatment of respiratory diseases.

The scientific program will present cutting-edge concepts and current research from a variety of perspectives. A wide range of topics will be addressed as they relate to adult and pediatric respiratory health, asthma, COPD, pulmonary rehabilitation, ILD, sleep, COVID-19, critical care, chronic cough, pulmonary function testing, lung cancer and much more!

CONFERENCE LOCATION

The Canadian Respiratory Conference will be held at the **Calgary TELUS Convention Centre**. Nestled in the foothills of the Canadian Rockies, Calgary is a dynamic city where Western heritage meets modern culture, offering visitors a blend of vibrant arts, diverse cuisine, and outdoor adventure. From the iconic Calgary Tower and scenic Bow River Pathway to cultural landmarks like the Glenbow Museum and Heritage Park Historical Village, the city provides experiences for every interest, while its proximity to Banff National Park makes it a gateway to breathtaking mountain landscapes.

HEALTH AND SAFETY

Please note that the CTS plans to meet and/or exceed all local public health protocols that will be in place at the time of the CRC 2026. All aspects of the conference will be conducted following public health guidelines established by the Alberta Health Services (AHS) – Public Health Services, and the Public Health Agency of Canada (PHAC).

KEYNOTE SPEAKERS

THURSDAY, APRIL 16

1415 – 1500

The History of Tuberculosis Among the Indigenous Peoples of Canada: Past, present and future

Dr. Richard Long, MD, FRCP(C), FCCP

*University of Alberta
Edmonton, AB*

1515 – 1600

CTS Honorary Lecture Award

Dr. Paul Hernandez, MDCM, FRCPC

*Dalhousie University
Halifax, NS*

1600 – 1700

International Perspectives: CHEST-ERS-ATS Conjoint Session

Dr. Marc Miravitles, MD

*European Respiratory Society
Vall D'Hebron University Hospital
Barcelona, Spain*

Dr. Irina Petrache, MD, ATSF

*American Thoracic Society
National Jewish Health & University
of Colorado
Denver, CO, USA*

Dr. Neil Freedman, MD

*American College of Chest
Physicians
Endeavor Health Medical Group &
University of Chicago
Chicago, IL, USA*

FRIDAY, APRIL 17

0930 - 1030

CTS Distinguished Lecture Award - Airway Remodeling in Asthma: Causes, consequences, and potential treatments

Dr. Richard Leigh, MBChB, PhD,
FRCPC, FCAHS

*University of Calgary
Calgary, AB*

SATURDAY, APRIL 18

1125 – 1210

The Role of Artificial Intelligence for Lung Cancer Screening and Early Detection in Alberta

Dr. Matthew Warkentin, PhD

*University of Calgary
Calgary, AB*

PROGRAM AT A GLANCE

To access the full scientific program including session descriptions, learning objectives and speaker biographies, as well as the list of poster abstracts and authors, visit the CRC 2026 conference website at cts-sct.ca/crc. Updated information will be posted as it is received.

WEDNESDAY, APRIL 15, 2026

PRE-CRC AFFILIATED MEETINGS & EVENTS

0800 - 1130	CTS Board of Directors Meeting
0800 - 1600	Pediatric Respirology Fellows Day
0900 - 1600	National Senior Respiratory Fellows Symposium
1130 - 1600	CTS Research Forum
1600 - 1630	Networking Reception
1630 - 1800	CTS Beaver Den
1830 - 1930	Early Career Networking Reception

THURSDAY, APRIL 16, 2026

0700 - 1000	RENASCENT 2026: Community Engagement – Authentic Involvement of People with Lived Experience in Research <i>Pat Camp, Travis Holyk</i>
0800 - 1200	CRHP Leadership Council Meeting
0900 - 1000	CTS Education Committee Meeting
0930 - 1030	CTS Industry Advisory Council Meeting
0930 - 1045	CTS Assembly & Working Group Meetings
1100 - 1215	S1 - Accredited Co-Developed Symposium Reimagining COPD Care: Preventing Exacerbations Through Identifying the Right Patients and Unlocking the Potential of Biologics <i>Monica Kraft, Erika Penz</i>
1230 - 1330	CTS Annual General Meeting and Luncheon
1400 - 1415	Opening Remarks
1415 - 1500	P1 Opening Plenary The History of Tuberculosis Among the Indigenous Peoples of Canada: Past, Present and Future <i>Richard Long</i>
1500 - 1515	Refreshment Break

THURSDAY, APRIL 16, 2026

1515 - 1600	P2 CTS Honorary Lecture Award <i>Paul Hernandez</i>
1600 - 1700	P3 International Perspectives: CHEST-ERS-ATS Conjoint Session <i>Neil Freedman, Mark Miravittles, Irina Petrache</i>
1700 - 1830	Welcome Reception / Sponsor Display / Poster Viewing
1830 - 1945	S2 - Accredited Co-Developed Symposium Comprehensive Sleep Management: Addressing Obesity in Respiratory Health <i>Najib Ayas, Julie Lovshin</i> S3 - Accredited Co-developed Symposium Unplugging the Airways: Reducing Mucus to Improve Long-term Patient Outcomes <i>Krystelle Godbout, Manali Mukherjee</i>
1900 - 2100	CRHP Assembly Networking Session
1900 - 2100	CTS Pediatric Assembly Annual Meeting & Reception

FRIDAY, APRIL 17, 2026

0645 - 0800	CTS Clinical Assembly & Working Group Meetings
0730 - 0900	Breakfast in Sponsor Display
0800 - 0915	CTS Women's Forum & Breakfast
0930 - 1030	P4 CTS Distinguished Lecture Award Airway Remodeling in Asthma: Causes, Consequences, and Potential Treatments <i>Richard Leigh</i> <i>The presentation of the CTS Research Awards will take place prior to the Distinguished Lecture</i>
1030 - 1100	Refreshment Break / Sponsor Display / Poster Viewing
Concurrent Sessions	
1100 - 1230	C1 - CTS Guidelines: Year in Review
	C2 - The Growing Burden of e-cigarette and Cannabis Use: Insights from Clinical, Physiological, Imaging, and Molecular Perspectives <i>Janice Leung, Dimas Mateos-Corral, Michael Stickland</i>
	C3 - Personalized Medicine in Pediatrics <i>Nicholas Avdimiretz, Jacob McCoy, Jonathan Rayment</i>
	C4 - Advances in Management of Acute and Chronic Thromboembolic Disease <i>Lana Castellucci, Doug Helmerson, Eric Herget</i>
	C5 - Chronic Advanced Respiratory Failure Management: Pitfalls and Solution <i>Marta Kaminska, Jenny Shi, Anu Tandon</i>
1230 - 1345	Lunch in Sponsor Display Area / Poster Viewing
	CRHP Research Poster Adjudication
1230 - 1345	S4 - Accredited Co-Developed Symposium Multidisciplinary Approach to Optimizing Treatment Across Upper and Lower Airways <i>Del Dorscheid, Juan Ruiz, Andrew Thamboo</i>

FRIDAY, APRIL 17, 2026

Concurrent Sessions

1400 - 1530	C6 - The Philips Resironics PAP Device Recall: Impact on Patient, Providers, and Policy <i>Kenneth Blades, Tetyana Kendzerska, Diana Ratycz</i>
	C7 - Climate Change & Respiratory Health <i>Gillian Goobie, Samir Gupta, Mika Nonoyama</i>
	C8 - Digital Health Innovations in Pediatric Pulmonology: Innovation, Integration, Impact <i>Maria Castro-Codesal, Refika Ersu, Sze Man Tse</i>
	C9 - Combining Imaging and Immunology to Improve Outcomes in COPD and Asthma <i>Mario Castro, Parameswaran Nair, Sarah Svenningsen</i>
	C10 - Pixels to Pathology: An Update on Diagnostic Tools in ILD <i>Na'ama Avitzur, Daniel Marinescu, Asghar Naqvi</i>
1530 - 1600	Refreshment Break / Sponsor Display / Poster Viewing
1600 - 1700	CTS Mastermind Challenge
1700 - 1830	Moderated Poster Session
1830 - 1930	Mix and Mingle Reception / Sponsor Display
1930 - 1845	CTS Assembly & Working Group Meetings

SATURDAY, APRIL 18, 2026

0700 - 0815	S5 - Accredited Co-Developed Symposium ILD Uncovered: Complex Cases Through Collaborative Lenses <i>Caylib Durand, Zachary David Guenther, Kerri Johannson</i>
	S6 - Accredited Co-developed Symposium Alpha-1 Antitrypsin Deficiency: A Canadian Success Story <i>Mohit Bhutani, Ken Chapman, Angela Diano</i>
0730 - 0830	Continental Breakfast
Concurrent Sessions	
0830 - 0930	C11 - Non-CF Bronchiectasis Overview <i>Maeve Smith, Christina Thornton</i>
	C12 - What's New in the Pleural Space? <i>Sebastian Rodriguez, Erik Vakil</i>
	C13 - Optimizing Lung Health in the Digital Era: Pulmonary Tele-Rehabilitation and Virtual Care <i>Tania Janaudis-Ferreira, Debora Petry-Moecke, Shirley Quach</i>
	C14 - Fresh from the Fellows' Clinic: Escape into Some Great Cases <i>Samahir Alsulaimani, Ramy Boles, Sabine Laguë</i>
	Refreshment Break

SATURDAY, APRIL 18, 2026

Concurrent Sessions

1000 - 1100	C15 - New Kids on the Block: Research Highlights from Early Career Investigators <i>Sophie Collins, Christopher Farley, Roopa Nanjundappa, Joël St-Pierre</i>
	C16 - The Use of Lung POCUS to Guide Treatment by Physical Therapists and Respiratory Therapists <i>Michelle Holodniuk, Karla Horvey</i>
	C17 - When Chronic Becomes End Stage <i>Camara van Breeman, Erin Kowlek</i>
	C18 - The Latest in Lung Cancer Diagnosis and Staging for the Community Respirologist <i>Ashley Gillson, Chanel Kwok</i>
1100 - 1115	Break
1115 - 1125	Poster Award Presentations
1125 - 1210	P5 Closing Plenary The Role of Artificial Intelligence for Lung Cancer Screening and Early Detection in Alberta <i>Matthew Warkentin</i>
1210 - 1215	Closing Remarks
1230 - 1345	S7 - Accredited Co-Developed Symposium Physiological and Clinical Relevance of Targeting the Small Airway in COPD: Emerging Evidence <i>Alberto Neder</i>
	S8 - Accredited Co-developed Symposium Unmet Needs and Clinical Challenges in the CFTR Modulator Era <i>Sophie Corriveau</i>
POST-CRC MEETINGS & WORKSHOPS	
1330 - 1500	CRC 2026 Scientific Planning Committee Debrief
1330 - 1530	Canadian Journal of Respiratory, Critical Care, Sleep Medicine Associate Editor's Meeting
1330 - 1600	Methodology Workshop
1330 - 1630	Non-Invasive Home Mechanical Ventilation Hands-on Workshop
	Chronic Cough Masterclass: From Diagnosis to Treatment Hands-on Workshop

SUNDAY, APRIL 19, 2026

0800 - 1600	Healing the Healer: An Introduction to Evidence-based Mindful Practice
-------------	---

This program is preliminary and subject to change. The language of presentation for the scientific program is English. Simultaneous interpretation will be provided for all plenary and select concurrent sessions and will be confirmed in the final program based on concurrent session registration.

CO-DEVELOPED SYMPOSIA

CTS partners with leading conference sponsors to co-develop symposia at CRC. These sessions are accredited and planned to achieve scientific integrity, objectivity and balance. Full session details, including invited speakers, session descriptions and learning objectives will be posted as confirmed on the CRC 2026 conference website at cts-sct.ca/crc.

THURSDAY, APRIL 16

1100 – 1215

Reimagining COPD Care: Preventing Exacerbations through Identifying the Right Patients and Unlocking the Potential of Biologics

Co-developed by the Canadian Thoracic Society and

1830 - 1945

Comprehensive Sleep Management: Addressing Obesity in Respiratory Health

Co-developed by the Canadian Thoracic Society and

Unplugging the Airways: Reducing Mucus To Improve Long-term Patient Outcomes

Co-developed by the Canadian Thoracic Society and

FRIDAY, APRIL 17

1230 – 1345

Multidisciplinary Approach to Optimizing Treatment Across Upper and Lower Airways

Co-developed by the Canadian Thoracic Society and

SATURDAY, APRIL 18

0700 – 0815

ILD Uncovered: Complex Cases Through Collaborative Lenses

Co-developed by the Canadian Thoracic Society and

WEDNESDAY, APRIL 15, 2026

1130 - 1300	WHAT'S NEW FOR 2026 Updates on current research and innovations impacting the Canadian respiratory research community
1300 - 1500	SCIENCE SPOKEN SUCCINCTLY Abstract presentations highlighting the best of Canadian research
1500 - 1600	BLUE SKY PANEL DISCUSSION Where we discuss future priorities of respiratory research
1600 - 1630	NETWORKING RECEPTION
1630 - 1800	BEAVER DEN Innovation pitch competition to venture investors (Beavers) highlighting innovative research leading to clinical and commercial end users! Top pitch will be awarded \$10,000!

CTS RESEARCH AWARDS

NEW! We are excited to announce that the CTS Research Awards will be featured at the CTS Research Forum on April 15, 2026. The **Frederick Hargreave Translational and Clinical Science Award** and **James C. Hogg Basic Science Research Award** showcase the contributions of Canadian researchers in respiratory science. NEW in 2026 is the **Quality Improvement Research Award**, showcasing excellence in Canadian research dedicated to advancing the quality of respiratory science.

APRIL 15, 2026, 1630 - 1800

What is the Beaver Den Innovation Award?

The Beaver Den Innovation Award celebrates innovation and entrepreneurial spirit in respiratory research. One award of \$10,000 will be provided to the top finalist based on the Beavers' consensus decision at the power pitch competition.

Why are we celebrating innovation?

Innovation drives change. This can mean improved patient care, more effective diagnostic tools and treatments, efficiencies for researchers and clinicians, and so much more. The CTS is proud to support the CTS Beaver Den Innovation Award. With this award, we hope to advance the Canadian and respiratory medicine innovation agenda and make investments that address respiratory illness and improve the lives of Canadians with respiratory disease.

Who is eligible?

The Award is intended for all Canadian respiratory researchers, including senior and early career researchers as well as small start-up companies dedicated to improving respiratory medicine and patient outcomes for a commercial, social or medical innovation related to respiratory disease.

Applicants will present their Power Pitch to the judging panel during a live and in-person session at the CTS Research Forum in Calgary, on April 15th, 2026 from 1630 - 1800 MT.

REGISTRATION

Take advantage of the savings and register before the early bird deadline of **March 3, 2026**.

CLICK HERE to register online or visit the CRC 2026 conference website at cts-sct.ca/crc.

Registration Category	Early Bird: Before/On March 3, 2026	Regular: From March 4 to March 30, 2026	On/After March 31, 2026
Member – Resident/Fellow/ Student	\$255	\$305	\$355
Member – CRHP	\$430	\$540	\$605
Member – MD/PhD	\$560	\$670	\$690
Member – Retired	\$255	\$335	\$345
Respiratory Roundtable Members	\$470	\$570	\$620
Non-Member Resident/Fellow/ Student	\$355	\$460	\$560
Non-Member (MD/PhD/Health Professional) or Industry Representative	\$895	\$995	\$1025

Registration fees are listed in Canadian Dollars and are subject to 5% GST.

The CRC accepts payment by credit card (Mastercard, Visa and American Express).

For all registration and conference details as well as cancellation and refund policies, visit the conference website at cts-sct.ca/crc.

For inquiries, contact the CTS by email at crc@cts-sct.ca or by phone at **613-235-6650**.

HOTEL ACCOMMODATION

The 2026 Canadian Respiratory Conference (CRC) will be held at the Calgary TELUS Convention Centre.

Staying at one of the official conference hotels makes it easy to network and stay connected to all conference events. Booking within the CTS room block helps support the Canadian Thoracic Society and ensures access to the best rates and availability.

Conference Dates: April 16-18, 2026

Booking Deadline: March 24, 2026 (rooms may sell out earlier)

Hyatt Regency Calgary

- Rates from \$249/night plus applicable taxes
- To book online: [Reserve at Hyatt Regency](#)
- To reserve by phone: 1-888-421-1442 (quote G-CRC1 or Canadian Respiratory Conference)
- Check-in time is 1500 and checkout time is 1200.

Calgary Marriott Downtown

- Rates from \$269/night plus applicable taxes
- To book online: [Reserve at Calgary Marriott Downtown](#)
- To reserve by phone: 1-800-228-9290 or (403) 266-7331 (quote Canadian Respiratory Conference)
- Check-in time is 1600 and checkout time is 1200.

We encourage early booking as both hotel blocks are expected to sell out prior to the cut-off date.

Individuals are responsible for their own hotel reservations and their own room, tax and incidental charges.

The negotiated guest room rates for the CRC are offered three days prior and three days after the conference dates, subject to availability.

For additional information, visit our conference website at cts-sct.ca/crc/accommodation

TRAVEL ARRANGEMENTS

Global Travel Centre is the official travel agency for the CRC. If you require assistance in making your travel plans, contact one of our dedicated representatives, Monday to Friday from 0900 to 1700 (Eastern Time).

Global Travel Centre

613-238-0000 or 1-800-267-1264
corp@globaltravel.ca

Booking with Global Travel Centre is a way to give back – Global will make a \$5 donation to Tree Canada for every delegate that books travel with them.

For discount booking codes for Air Canada, Porter and WestJet, visit our conference website at cts-sct.ca/crc.

SPECIAL EVENTS AND AFFILIATED MEETINGS

Connecting with peers is easy at CRC 2026! For a full list of meetings and special events, please review the preliminary schedule on our conference website at cts-sct.ca/crc.

NATIONAL SENIOR RESPIRATORY FELLOWS SYMPOSIUM

WEDNESDAY, APRIL 15

0900 - 1600

This annual symposium is a collaborative initiative of Canadian respirology program directors and the CTS to prepare residents from across Canada for the Royal College exam with a Practice OSCE Exam.

CANADIAN PEDIATRIC RESPIROLOGY FELLOWS DAY

WEDNESDAY, APRIL 15

0800 - 1600

The annual Canadian Pediatric Respirology Fellows Day will be held as a joint initiative of the pediatric respirology program directors and CTS Pediatric Assembly.

EARLY CAREER NETWORKING RECEPTION

WEDNESDAY, APRIL 15

1830 - 1930

CTS will host its early career members for a networking reception, a time for adult and pediatric residents, fellows, researchers and respirologists and health professionals within their first five years of practice to connect with their peers from coast to coast to coast.

CTS RESEARCH FORUM

WEDNESDAY, APRIL 15

1130 - 1600

An exciting day featuring national research updates, abstract presentations and the CTS Research Awards, and a panel discussion about the future of respiratory research. The Research Forum will bring together scientists and students working in different disciplines from across Canada. National research updates, abstract presentations and the CTS Research awards will be presented. There will be a BLUE SKY panel discussion about the future of respiratory research.

BEAVER DEN

WEDNESDAY, APRIL 15

1630 - 1800

In this inaugural session, the top innovators will pitch their ideas to a panel of experts, aka the 'Beavers'. One award of \$10,000 will be presented to the top finalist, based on the Beavers' consensus decision during the Power Pitch competition.

CTS ANNUAL GENERAL MEETING AND LUNCHEON

THURSDAY, APRIL 16

1230 - 1330

All CTS members are invited to take part in the CTS Annual General Meeting and Luncheon. The CTS President and Treasurer will present their annual reports and members will elect the CTS Board of Directors for 2026-2027.

CRHP ASSEMBLY NETWORKING RECEPTION

THURSDAY, APRIL 16

1900 - 2100

All members of the Canadian Respiratory Healthcare Professionals (CRHP) Assembly are encouraged to attend a networking reception held at 1900 immediately after the CRC Welcome Reception.

CTS PEDIATRIC ASSEMBLY ANNUAL MEETING AND RECEPTION

THURSDAY, APRIL 16

1900 - 2100

All members of the CTS Pediatric Assembly are encouraged to attend the Annual Meeting held at 1900 immediately following the CRC Welcome Reception.

CTS CLINICAL ASSEMBLY AND WORKING GROUP MEETINGS

THURSDAY, APRIL 16 & FRIDAY, APRIL 17

Various times

CTS Clinical Assemblies on Asthma, COPD, ILD, HMV, Sleep Disordered Breathing as well as the Cystic Fibrosis, Chest Procedures, Choosing Wisely, Non-CF Bronchiectasis and Pulmonary Vascular Disease Working Groups will meet on Thursday April 16 and Friday April 17. All CTS members are invited to attend the meetings. Please refer to the [Affiliated Meetings list](#) for the dates and times of each meeting.

CTS WOMEN'S FORUM

FRIDAY, APRIL 17

0800 - 0915

The CTS Women's Forum and breakfast will honour and foster community for women in respiratory healthcare. Our guest speaker will share their story and reflect on how they have navigated and overcome challenges throughout their life and career. Everyone is welcome to attend this morning session.

CANADIAN JOURNAL OF RESPIRATORY, CRITICAL CARE, SLEEP MEDICINE ASSOCIATE EDITOR'S MEETING

SATURDAY, APRIL 18

1330 - 1530

CTS' official journal, the Canadian Journal of Respiratory, Critical Care, Sleep Medicine, will hold its annual Editorial Board meeting.

NON-INVASIVE HOME MECHANICAL VENTILATION HANDS-ON WORKSHOP

SATURDAY, APRIL 18

1330 - 1630

The CTS Home Mechanical Ventilation Assembly is excited to invite you to the second hands-on workshop featuring interactive, small group sessions with preceptors demonstrating equipment and guiding participants through practical case scenarios.

CRHP ASSEMBLY CHRONIC COUGH MASTERCLASS: FROM DIAGNOSIS TO TREATMENT HANDS-ON WORKSHOP

SATURDAY, APRIL 18

1330 - 1630

Join us for an interactive and insightful workshop designed to deepen your understanding of chronic cough in adults. This dynamic session combines expert knowledge with practical learning:

- Comprehensive Review: Explore the latest evidence and clinical approaches to managing chronic cough
- Expert Lecture: Gain valuable insights from Chronic Cough experts in focused, didactic presentations
- Patient Perspectives: Engage in a fireside chat that brings real-world experiences to the forefront
- Hands-On Learning: Participate in two immersive teaching stations to sharpen your clinical skills

METHODOLOGY WORKSHOP

SATURDAY, APRIL 18

1330 - 1600

A discussion and case-based session on how to develop high quality guidelines. The first part of this workshop will discuss the current state of guideline development at CTS. The second part will cover key components of guideline development such as PICO formulation and assessing evidence.

HEALING THE HEALER: AN INTRODUCTION TO EVIDENCE-BASED MINDFUL PRACTICE

SUNDAY, APRIL 19

0800 - 1600

Physicians suffer from high rates of burnout but can rediscover meaning in work and improved well-being using evidence-based mindfulness skills. In this workshop participants will be introduced to Mindful Practice® in Medicine, learning and practicing mindfulness skills / self-regulation while experiencing the power of dialogue.
